**EMERGENCY BRIEF**

This is UNEVALUATED Information

Country: Czechoslovakia

25X1

Subject: Emergency Brief on Delta (Vojtech Csanzar)

25X1

Date of Info:

25X1

- (a) 9th or 19th [redacted] Border Guard Brig. with Headquarters in FOPETOVICE. [redacted] this brigade had five battalions. The 1st Bn was located in JEMNICE (N49-02, E15-34), the 2d Bn in VRANOV (N49-57, E15-49) and the 3d Bn in ZNOJMO. The CO of this brigade was Maj (fm) ZOUBEK. This information dates to March 1956. A horse cavalry squadron was formed under the jurisdiction of the ZNOJMO Border Guard Brig at the beginning of 1956. It was planned to station this squadron in the P/SECNA area, which was under the jurisdiction of the 3d Co, 1st Bn in VANCV.
- (b) Unidentified Border Guard Brigades in SUSICE (N49-14, E13-31) with an unidentified battalion in PRASILY (N49-06, E13-23).

25X1

(c) Unidentified (possibly 9th or 19th) Border Guard brigade in ROBEZOVICE (N49-31, E12-48). Its 2d Bn was located in PIVON (N49-29, E12-44); the CO of this battalion was 1st Lt Antonin HOLUBAR.

(d) Col or Lt Col (fnu) SIXTA was Border Guard Chief of Staff in 1955.

25X1  
25X1

(e) Unidentified VS (Interior Guard) brigade in PRAGUE-Vrsovice was located within the Rohacovy Barracks, which was on the street of the 28th Regt.

(f) Unidentified Interior Guard (VS) brigade in GADNO.

(g) Unidentified Interior Guard (VS) brigade in PILSEN.

(h) Unidentified VS training center in LEVOCA (N49-02, E20-36).

(i) Unidentified Army Transport Unit in JINDRICHUV HRADEC (N49-09, E15-00).

(j) Southwest of PIVON (N49-27, E12-44) on top on either the Gerchov or Harstejn Hill, there was an aircraft observation post (hlaskari). this post was subordinate to Col (now possibly Maj Gen) Eduard DITTICH, the highest-ranking military commander in PILSEN.

25X1

(k) There was a Border Guard dog training center in VODNANY (N49-09, E14-11). In June 1956, the center began cross-breeding dogs with wolves.

(l) Due to inadequate billets, it was planned to transfer the 1st Bn of the CESKE BUDJOVICE Border Guard Brigade from PREDNI VYTON (N48-38, E14-11) to LIPNO (N48-38, E14-14), as soon as the water dam construction in the LIPNO area was completed.

(m) only officers who had completed training in the USSR could be appointed as Border Guard battalion CO's.

25X1  
25X1

3. the 2d Border Guard Bn in PIVON, which was subordinate to the 9th or 19th Border Guard Brig in ROBEZOVICE, was disbanded and the battalion staff

25X1

was transferred to VRANOV (N48-54, E15-42), where a new Border Guard battalion, also designated as the 2d Border Guard Bn but subordinate to an unidentified Border Guard brigade in ZNOJMO, was located (see 2, (a)). this move was undertaken in connection with the reinforcement of the Czechoslovak-Austrian border prior to the Soviet departure from Austria.

Secret

[redacted] [redacted] 25X1

1. There was no concerted drive to recruit women for factory work, police, or military positions.

2. [redacted] 25X1

3. The acute shortage of meat continued. Medical drugs for the civilian population were sometimes unobtainable. [redacted] this was due to poor distribution rather than lack of medicines. 25X1

4. [redacted] 25X1

5. From June 1956, letters from Czechoslovakia to Hungary could simply be dropped in the mail box. Formerly they had to be mailed at the post office counter. 25X1

[redacted]

6. Some underground construction work was in process in a hill in IXUSOV, Kalyon District. The work was being done by soldiers. 25X1
